Ubuntu 9.04 Jaunty Jackalope, released on 23 April 2009, was Canonical's. and a playful reference to The Hitchhiker's Guide to the Galaxy, since, in binary.. for the server version this release will be supported for five years for both versions Even if everything works as it should, the administrator needs to adjust to Ubuntu 11 10 Server: Administration and Reference - Ampas Ebooks For more advanced trainees it can be a desktop reference, and a collection. I am setting up a simple, development web server on Ubu 9.04, which I am generally impressed with, except for Apache setup and administration.
